

SOUTH WEST HOUND 02.04.18

Thank you to the Committee for my appointment, my steward and to the exhibitors whom entered under me at this lovely, friendly well-run show.

Class 61: J d/b (4,1)

1. Diamondridge Dream Catch Me. 9 months. Very feminine typey bitch, good head proportions with pleasing eye, good reach of neck into well laid shoulders. Correct ridge. Correct size and proportions that I'm sure will mature well as she grows. Standing on excellent feet. Moved with drive and enthusiasm for one so young. Pleased to award her BP & BOB and absolutely thrilled to watch her go BIS & BPIS.
2. Diamondridge Roll The Dice. 6 months & still very much a raw baby, she has all the correct qualities that maturity should bring. Pretty head & kind dark eye, correct ridge. Well-constructed & thoroughly enjoyed her day.

Class 62: PG d/b (2,2)

Class 63: O d/b (3,1)

1. Diamondridge Distant Storm For Kemgordoni. 2-year-old male, shown in hard condition. Well balanced hound with good angulations & kept his topline on the move. Good ridge & crowns. BD
2. Sofala Joe The Lion. 2-year-old male. Pleasing shape and outline, kind head & expression. Just lost out to 1 on movement.
