

South West Hound Club

Open Show Mon. 30<sup>th</sup> May 2016 Beagles

Many thanks to Glenda & David Adams, (Secretary & Chairman) and all the committee members of the South West Hound Club for, firstly the invitation to judge and secondly the most enjoyable experience of the whole day, made ever more so by, what was the very best weather both my wife and I have seen for many years on a "Bank Holiday Monday". My entry was very good with only a couple of absentees and the exhibitors took all my decisions with good sportsmanship, even if I did make them work for it, with multiple laps of the ring. All the Hounds appeared in good health, condition, soundness and fit for purpose, for this the exhibitors are to be commended. Once again many thanks to all concerned for this most memorable and enjoyable day out for quite some time, which was topped by the fact my BOB went Res. Best in Show.
